#Soyvisual es un Sistema de Comunicación Aumentativa gratuito, que utiliza fotografías y láminas ilustradas para estimular el lenguaje y ayudar a personas con necesidades a comprender el mundo y comunicarse.

#Soyvisual también cuenta con materiales como este, que utilizan fotografías o láminas ilustradas y sirven para estimular las diferentes áreas del lenguaje.

Todos los recursos de #Soyvisual están disponibles en la web www.soyvisual.org y se pueden descargar de forma gratuita, en versión digital o para imprimir.

Te animamos a que crees tus propios materiales y los compartas con nosotros para así hacerlos disponibles a todo el mundo. Si elaboras algún material con los recursos de #Soyvisual y deseas enviárnoslo para ser publicado en la web, puedes hacerlo escribiendo a materiales@soyvisual.org
