

APRENDEMOS LOS NÚMEROS

Escribe el número de cada imagen para descubrir los números del 1 al 10.

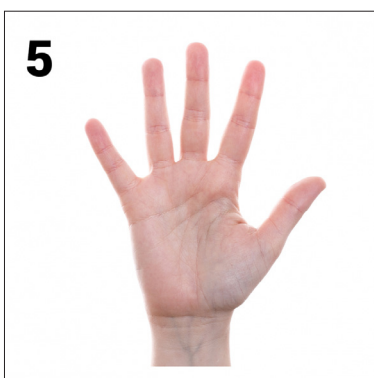

The image shows several overlapping cards designed for learning numbers 1 through 10. Each card features a photograph of a hand in a specific gesture, a printed number, and a dotted line for writing practice. The cards are arranged in a way that some are partially obscured by others, creating a sense of depth. The numbers shown are 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10. The hand gestures are: 1 (one finger up), 2 (two fingers up), 3 (three fingers up), 4 (four fingers up), 5 (five fingers up), 6 (one hand with five fingers up, another with one finger up), 7 (one hand with four fingers up, another with one finger up), 8 (one hand with three fingers up, another with two fingers up), 9 (one hand with two fingers up, another with three fingers up), and 10 (one hand with one finger up, another with five fingers up).

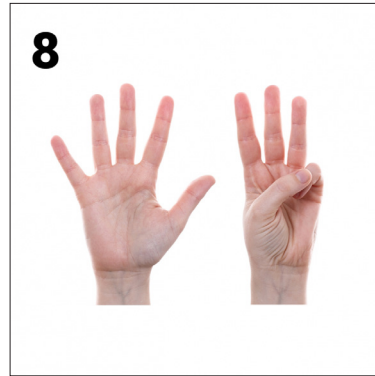

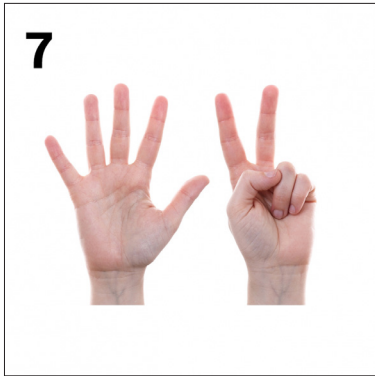

Repasa las líneas de puntos para descubrir los números del 1 al 10.

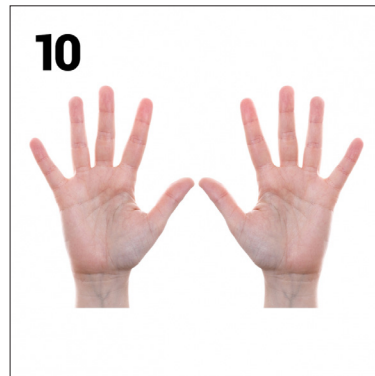

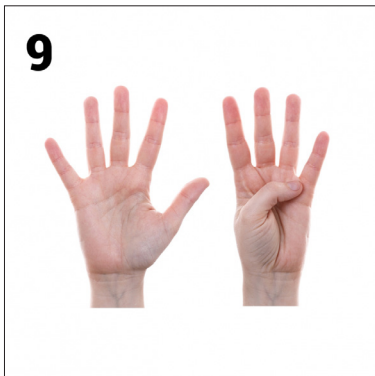

Escribe el número que representa cada imagen.
