INSTRUCCIONES

OBJETIVO GENERAL:

Mejorar o desarrollar la conciencia fonémica.

A través de la conciencia fonémica se pretende que el alumnado sea capaz de entender que las palabras están formadas por fonemas y adquirir de esta forma habilidades que le permitan segmentar palabras en fonemas; así como ordenar fonemas para formar palabras.

OBJETIVO ESPECÍFICO:

Ordenar sonidos o fonemas para formar palabras.

DESARROLLO DE LA ACTIVIDAD:

Se presenta una ficha con tres o cuatro sonidos representados mediante los grafemas. Primero el alumno/a tendrá que ordenar dichos grafemas colocando debajo, dentro de cada círculo: primero, segundo, tercero,...; dependiendo del orden de cada letra dentro de la palabra.

Una vez ordenados los grafemas, habrá que rodear cuál es la palabra correcta de las que aparecen en la parte inferior.

Por último hay que escribir la palabra.
