

PALABRAS QUE RIMAN

Traballamos a rima de palabras

INSTRUCCIÓN

OBXECTIVO XERAL:

Mellorar ou desenvolver a identificación de palabras que riman.

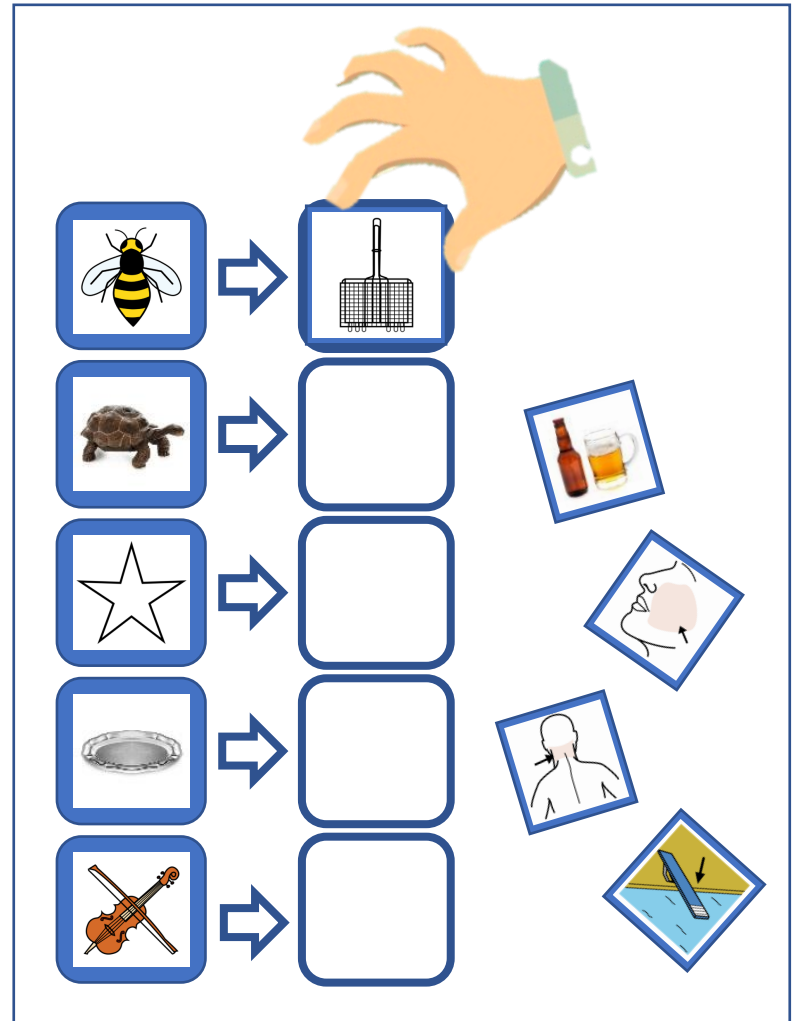

OBXECTIVO ESPECÍFICO : Identificar palabras que riman con outra.

DESENVOLVEMENTO DA ACTIVIDADE:

Preséntanselle ao neno/a na columna da esquerda cinco palabras e á súa dereita un cadrado en branco para colocar outra imaxe. Nos documentos anexos aparecen as palabras para recortar de cada un dos modelos. Para facilitar o traballo con elas, cada modelo e as súas tarxetas asóciase a unha cor diferente. A actividade consiste en nomear as palabras que aparecen e buscar entre as tarxetas a que rima con esta. Recoméndase, en etapas iniciais, que o/a mestre/a proporcione o modelo facendo máis énfase na parte final da palabra na súa pronunciación, para axudar ao neno/a a captar esa rima, eses sons que coinciden en ambas palabras.

Unha vez detectada a palabra que rima, o neno/a deberá colocala á beira da outra palabra coa que rima.

Recomendamos ao mestre/a que antes de facer as actividades cos nenos/as lea as palabras usadas para coñecelas ben, xa que en ocasións algúns pictogramas poden confundirnos.

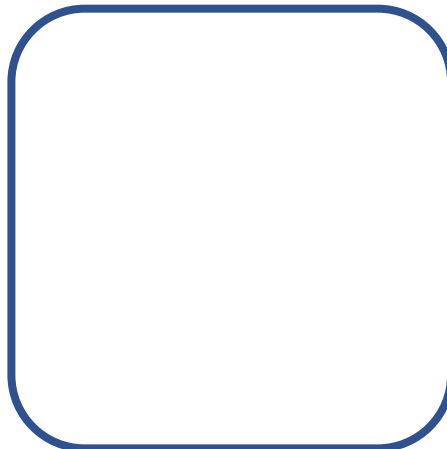

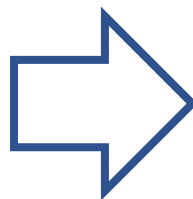

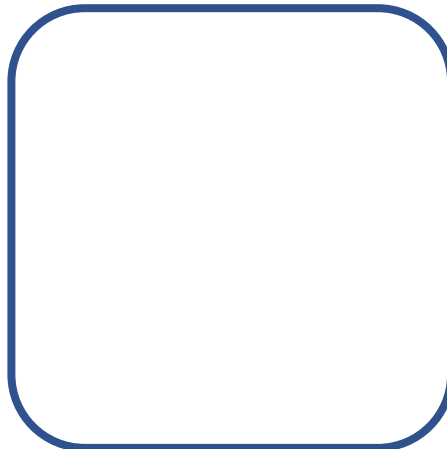

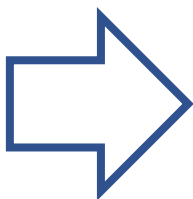

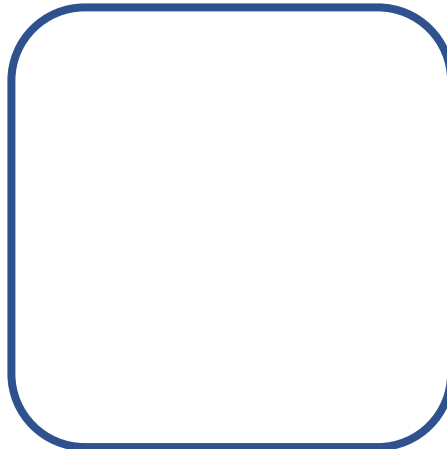

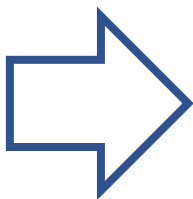

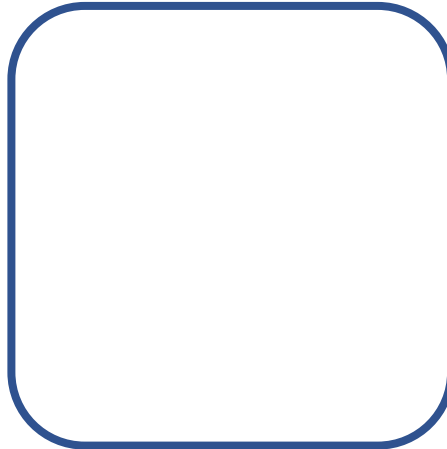

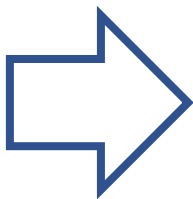

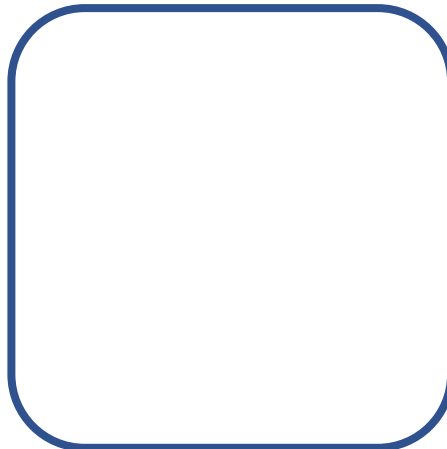

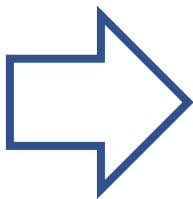

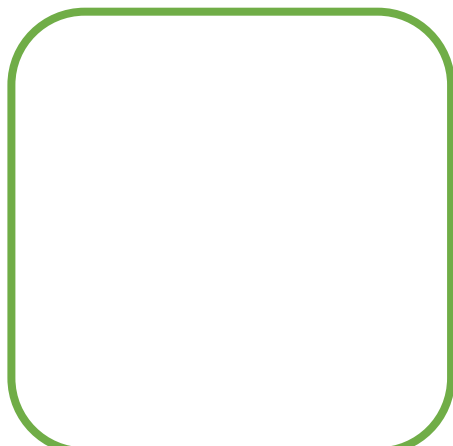

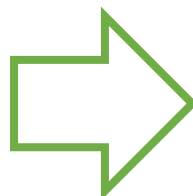

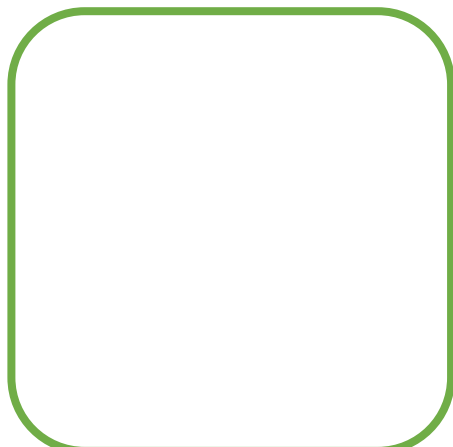

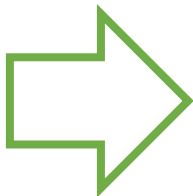

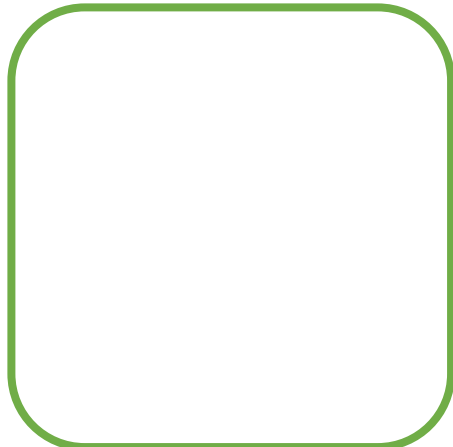

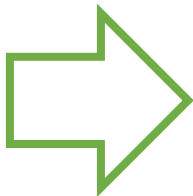

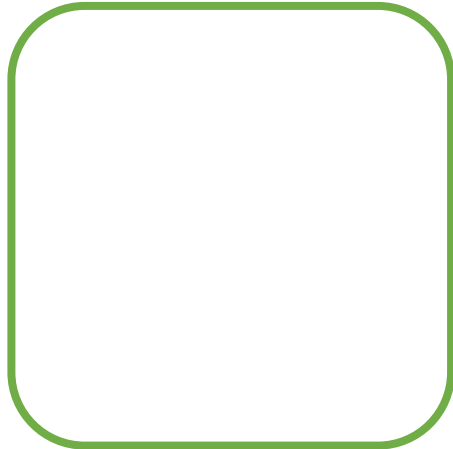

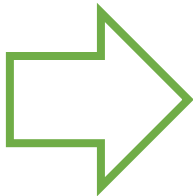

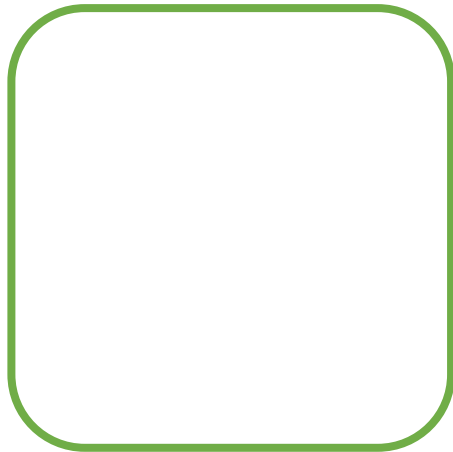

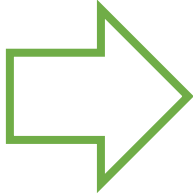

VARIANTES:

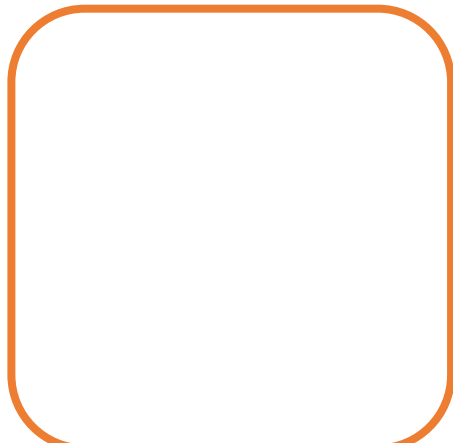

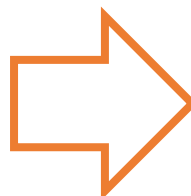

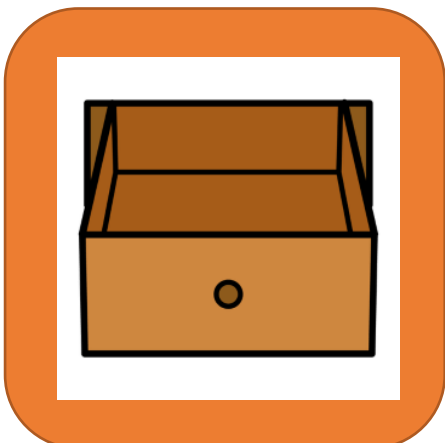

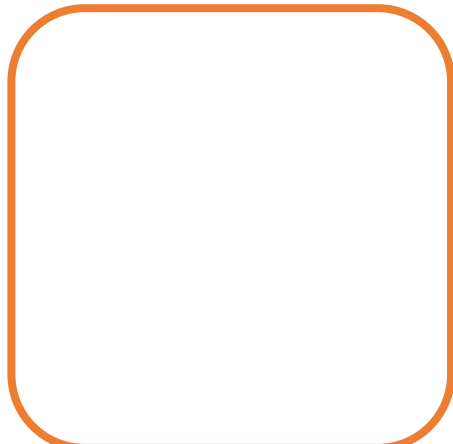

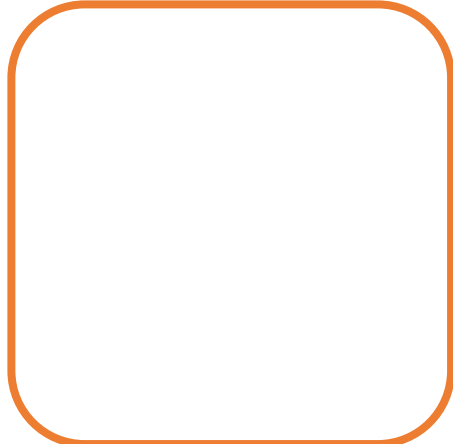

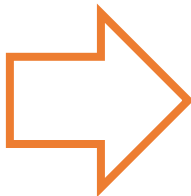

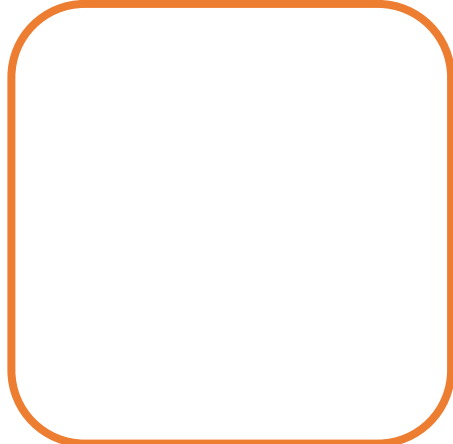

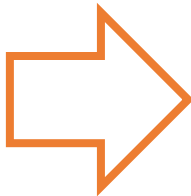

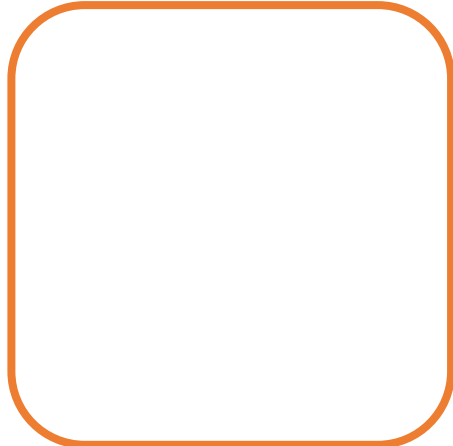

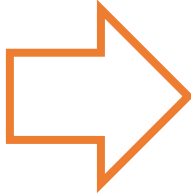

1. Inventar unha frase coas palabras
2. Inventar unha frase coas dúas palabras que riman
3. Pensar noutras palabras que coñezan que podan rimar con estas.
4. Pragmática: que é, para que serve...
