INSTRUCCIONES

OBJETIVO GENERAL: Mejorar o desarrollar la identificación de palabras que riman.

OBJETIVO ESPECÍFICO : Identificar una palabra que riman con otra.

DESARROLLO DE LA ACTIVIDAD:

Opción 1: Con ruleta.

Se colocan las imágenes correspondientes en la ruleta y el niño/a tendrá la lámina que pone "rodea". Se girará la ruleta y saldrá una palabra (representada por un pictograma o fotografía) y el niño/a deberá buscar en su lámina la palabra que rima con ésta y rodearla. Por ejemplo giramos la ruleta y sale "PELO" el niño/a deberá rodear "ABUELO".

Opción 2: Sin ruleta

Se irán sacando las palabras y el niño/a deberá buscar en la lámina la palabra que rima con ésta y rodearla.

Opción 3: Con tapones.

Misma actividad sólo que las imágenes se pegarán previamente en tapones y el niño/a deberá colocar el tapón encima de la palabra con la que forma rima.

En los documentos anexos aparecen las palabras para recortar de cada una de las plantillas. Para facilitar el trabajo con ellas, cada plantilla y sus tarjetas se asocian a un color diferente.

Se recomienda, en etapas iniciales , que el maestro/a proporcione modelo haciendo más énfasis en la parte final de la palabra en su pronunciación, para ayudar al niño/a a captar esa rima, esos sonidos que coinciden en ambas palabras.

Recomendamos al maestro/a que antes de hacer las actividades con los niños/as lea las palabras usadas para conocerlas bien, ya que en ocasiones algunos pictogramas pueden confundirnos.
